“ Justin, you will be dearly missed! I enjoyed discussing politics and life with you, little cousin! I am posting this poem in your honor because it speaks to me of life and love and loss. *Nothing Gold Can Stay* by Robert Frost  
Nature's first green is gold,  
Her hardest hue to hold.  
Her early leaf's a flower;  
But only so an hour.  
Then leaf subsides to leaf.  
So Eden sank to grief,  
So dawn goes down to day.  
Nothing gold can stay.

“ I only really knew him as a small boy, way back when, and was getting to know him on Facebook, a little. I know his family will miss him and so will I. May God's graces go with him. The world will be less interesting with him not in it.

“ My deepest sympathy to the entire Mahn family. I was heartbroken to hear of Justin's passing. I know how close to Justin my dearest friend Jules was and how hard his passing has to be for them all. God please watch over your new angel Justin and wrap your loving arms around him. Please give strength to the family during this very difficult time. My thoughts and prayers are with you all.
