“ *It was both a pleasure and honor serving as one of Ms. Kay's first Hospice nurses. I came to know and love both her and her family during each visit. She always shared the best advice and we chuckled a lot before departing. Sh indeed never met a stranger. My last visit with her recently brought many emotions as she knew it may be the last. We held hands and talked for a bit. One of the strongest women I have ever met and loved. RIL Ms. Kay. Cecilia Echols, RN Dierksen Hospice.*
