“ *Very sad to hear. Kathy was key to the success of our Packaging department at Abbott. When she wasn't diligently working with precision, it was fun to hear her stories of travel and love for country music.*

Praying that you are all comforted with joyful memories of her during your grief.

*Blessings,
Melissa Gamel (Abbott co-worker)*

“ *Our most treasured memory is the trip to Washington DC (Kathy, Randy, Renae, Jr and myself to meet up with brother Mike after decade's of no contact. The four siblings were finally together again. Kathy, Mike, Renae & Randy.*

It happens too often... a loved one gone soon after retiring... ready to enjoy life. Gone too soon. R.I.P., Kathy... no more pain and suffering.

Kathy and I were friends for nearly 30 years — we appreciated and saw the best in one another. I won't forget her. Sandi
