“ *Kay and I were two peas in a pod growing up, we were always together and most of the time into some type of mischief. I loved her like a sister. There are simply too many memories to mention only one. My thoughts and my love are with the family, LJ, Maylene, Tara, Eric, Cody and their families.*

*Kay and I worked together at St. Joseph's a few years ago. She was the first to introduce me to Starbuck's White Chocolate Mocha coffee! I recently saw her again and we exchanged phone numbers and was going to go to lunch one day. But we never did. I am sooo sorry for her family's loss. May God ease the pain in their hearts. I will miss knowing she is in the world.*
