“ Joy & Darbie:

We are so sorry to hear of Ken's passing. He has been our customer for a few years now and neither of us had any idea that he was your father. We sure thought a lot of him, he would call us every couple of weeks or so just to check in and let us know that he was doing ok. We will miss him and those calls. And him complaining every time he came in here that we still didn't have a chair big enough for him to sit in :) Prayers for you all.

Thanks Aimee and Martha. There weren't many places that did have a chair big enough for him! ❤️
