“ *I met Kingfish through Sheila at The Daily Dish. He was a sweet, sweet man who loved his wife very much & was so-o-o proud of you, Lisa. And his grandson was his pride & joy. His warm smile and stories will be missed by everyone he met at The Dish. The last time I visited with him, he was sitting in his truck outside of The Dish and he was talking about you, Lisa, and being promoted to Lt. and how proud he was of you. He also had a picture of your son and was telling me all about him. My heart goes out to all of Kingfish's family...I know there is an empty feeling in your hearts that will take a long time to heal. My prayer is that God will wrap His arms around you and you will feel the peace that only comes from knowing Him. In His Love, Randi Wright*
