“ Kenneth and I were in high school in Booneville and worked on cars for fun. He had a 68 mustang and I had a 65 mustang. We built a hot rod together but it was too dangerous to drive. I remember him and his girlfriend later wife Nadine and family. I took a job in Fort Smith a couple of years after high school and got married. We saw each other only seldom after my move. Kenneth moved to Hot Springs.

On occasion we would drag race our cars at the airport runway in Booneville and had a lot of fun. Goodbye Kenneth and I am sure that we will meet again on a different plane.

“ Mr. Wright is well thought of by Air Force personal in Springfield, IL. My grandson called me Monday, from Illinois, and informed me of the loss of Ken. I live near Hot Springs. If the family would like to hear the accolades you may contact me at 217-649-2643. He was extremely well thought of for the work he was doing there.

“ Here's a couple pictures of my uncle Kenneth while he was visiting his brother's family in Booneville, Arkansas. I gave him a that machete as a gift. He likes to joke around while posing with it.
