“ So many memories to share about this amazing man! He was the father of my BEST friend, Keegan. I spent many nights sitting with him at the dinner table. I remember how much he loved alfredo! He was patient, kind, funny (always had a dad joke ready), and so proud to be the father of two beautiful girls. He was our biggest cheerleader at softball games, laughed at our antics, and taught his girls to break through glass ceilings. He was a beautiful soul and will be dearly missed. -Summer (Frantz) Dickinson

“ *Kent and I went through high school together and were the best of friends. One of my regrets is losing touch after graduating from high school. My high school sweetheart and married in 1973. We have lived in Fayetteville ever since. We raised a daughter and are currently enjoying a granddaughter who lives near us. I would have very much enjoyed catching up with Kent. I am sorry that never happened.*
