“ *When I was a little girl, My Dad and Mom took me to visit my Aunt Ruth. I was very young and do not remember how old I was, I do remember seeing Avon stuff and I wanted to get my hands on her pretties. Aunt Ruth of course made sure I got a gift from her Avon collection. As I got older I would go and spend time in Fort Smith with my Grandma "Mrs. ima Younger" Sometimes Aunt Ruth would be able to come see her Mother while I was visiting, of course I was given plenty of Avon gifts of cologne, rings, and lots of other Avon products. Aunt Ruth was very kind and loving and I was always so happy to see her as she made me feel so special. She just had a way about her and her kindness and love radiated from her! Aunt Ruth you are greatly loved and missed, we shall see you again!*

I have so many wonderful memories of Ruth. She had the sweetest spirit of any person I have ever met. One evening in particular stands out to me when she invited our Ladies Nite Out group from Lakeview Church to their home and she demonstrated making her famous fried pies for our group and served us dinner and fried pies for approximately 30 ladies. I still have the typed instructions....typed by Bill...for the pies and occasionally try to make them. Of course her pies were always the best. It was the love ingredient!
