“ Dear Bill and family, I was so sorry to hear that your father had passed away. Bob Besom wrote me and sent a copy of the obituary for me to read. I always looked forward to seeing your mom and dad when we went to Heber to visit our grandparents. Your mom was always so perky and smiling all the time and your dad was usually quite but had a great sense of humor. He also enjoyed the games of croquet that were always a part of our vacations in Heber. I remember what fun we had at the Hot Springs family reunion when we took the boat ride all together and had dinner and dancing - the kids had such a great time. It makes me smile to think of all those great summers . I hope that your memories of those gatherings will help your during this time. You and your family will be in our thoughts and prayers.
