“ To Leonard's family. I was deeply sorrowed to learn of Leonard's death. It has been almost 15 years since I had seen him although he was a good friend. He was a great mentor in my youth. He taught me how to drive a stick shift in my teens and was largely responsible for my joining the Marines back in the 60's. I had asked my cousin in Little Rock to search for his address about 6 months ago, and unfortunately, sent me the obituary last week. Leonard and his family are in my prayers. Semper Fi Leonard. “ Dear Laura Beth. It's been many years since I saw you but I got the message you just lost your husband. I didn't know him but if you picked him, he must have been a terrific guy. So terribly sorry to hear of your loss. May God comfort you in this time of sorrow. Love, Beth

“ Oh Laura Beth, so sorry about your loss of Leonard. Daddy and I both would have come if we had known. Ironically, I had said to daddy the week before that we ought to go by and visit Leonard and Laura Beth now that they have moved. We love you and have fond memories. I remember buying your condo at Whispering Pines back in the 70's after you married Leonard, do you? We will come by sometime in the next few weeks. Our prayers are with you. Take care, Janie Bogler & Stan Jarrard

“ Laura, He was such a lovely guy. always with laughter and a twinkle in his eye. we measure life not by the number of breaths we take but by the moments that take our breath away. We were so blessed to have known him. Our prayers and condolences.
