A celebration of life will be held at 2:00 PM Saturday at Hot Springs Funeral Home with Reverend Dennis Anderson officiating. Visitation will begin at 12:30 PM prior to the service.

In lieu of flowers donations are requested to the charity of your choice or just do something good for someone in his honor.

“ *Sandy, I am so sorry I am late finding out about Leroy passing. I know that you loved him very much and he loved you very much. I have known you most of my life as you nursed me when I needed care. Then I had the pleasure of working with you. So I have fond memories of Leroy and his silly jokes. I will be thinking of you.*

“ Sandy, I love you and I loved Leroy! I always looked to find you guys at Limu events to give you a hug!! You all are some of my favorite people. I'll always be grateful that you all shared Limu with Ken and Cathy and then they with my brother... thus I learned about it. What a blessing to have had the priviledge of getting to stay with you all in your home when I came to a party in Hot Springs and hear about the early beginnings of Limu!! I treasure the memories of you all together and am here to help you in any way possible in the days to come sweet friend!! God bless you!!

“ Even though I didn't get see my dads side of the family often .. I will miss the time I did get to see you & always singing your crazy songs. Lol remembering the time you took my boyfriend home & made me sit up front with you bc you didn't want any "funny" business going on. Haha. Wish you could have met Westyn but, know that we will be visiting Aunt Sandy more. I hate that the family only gets together under these types of cirucumstances over the past years. Love you!!! (:

“ I will never forget when I was a child and he came to visit my grandmother when she was not feeling well. He brought her something to eat and stayed a while just talking with her. He is the most kind person I knew and that simple act of kindness made an impression on me. I will never forget how thoughtful he was.

“ He was a good man. When I was getting in trouble he would come bail me out, but every time he would take me over to his office and sit me down and lecture me like a father would. It saddens me that he is gone. May he rest well.

“ 22 years ago my hubs and Leroy dug septic lines illegally by headlights late one night, and the. Proceeded to layer the lines with newspapers. The funniest part is that the newspaper office mistakenly gave them a bundle of Bill Clinton's inauguration. Poor Bill lies at the bottom of a lot of poop. We will never forget Leroy's humor all thru that night. He was such a huge part of our family for years!!!

“ When both of my boys were babies, Leroy would come by the scrap yard just to see them. He would carry them all over the yard and they would dig all the stuff out of his shirt pocket. They LOVED Leroy coming by just to see them. Bryan and Matthew have many found memories of Leroy. Heaven received an angel, he was one of the kindest people the world has ever known. My heart hurts for all of us. Leroy touched many lives, he will not be forgotten..
