

Linda A. McIntyre

May 25, 1959 - June 27, 2024

Our beloved mother, Linda A. McIntyre (Zendejas) left us suddenly on June 27, 2024.

Born May 25, 1959 in Montebello, California she was the oldest of seven siblings. At 20 she became an international traveler having lived twice in Germany. It was there she discovered her passion for riding motorcycles, specifically Harley Davidsons; which lasted throughout her life. Linda settled in El Paso, Texas as well as Chaparral, New Mexico where she raised her family. In 2001 she moved to Hot Springs, Arkansas a place she loved with all her heart. She enjoyed the Natural State through many camping and fishing trips, her favorite lake being Lake Ouachita. She also enjoyed the scenery of Arkansas through many motorcycle rides.

Linda had an incredibly strong faith always giving thanks and glory to God. She enjoyed times of worship and fellowship at St. Luke's Episcopal Church.

Linda was loved by all that came to know her either from work or through her children. She loved spending time with her family and friends. She made sure to send love, laughter and tortillas into the world.

She is preceded in death by her mother, Joann Gonzales and father Anthony Zendejas.

Linda is survived by her daughter Nicole McIntyre of Hot Springs, Arkansas, her son John McIntyre of Mena, Arkansas, her beloved grandchildren Dylan, Kian, Patrick, Grace and Sofia. She is also survived by her siblings as well as multiple nieces and nephews and great nieces and nephews.

A memorial service will be held at 11:00 A.M. August 3, 2024, at St Luke's Episcopal Church, 228 Spring Street in Hot Springs, Arkansas.

We invite all who knew and loved Linda to join us in remembering a truly remarkable woman.

“ Linda, as you are remembered today know that you will be remembered always. Your laugh, your smile, your contagious positivity. You are loved by many and missed dearly. Of all that is certain about you, one that is tried and true, is the love you held for your children and grandchildren. And now to hear them share stories of you as you did of them shows a bond that shall never be broken. Rest in Paradise Ms.Mac Love Always, Kami <3

“ My dearest friend, Linda, I will miss our phone calls and our texting conversations. You had a way to make me laugh... We met in Germany back in the 1980s when our spouses were in the military. We became such good friends and we depended on each other a foreign country so we actually became family. Linda blessed me with a special gift Allowing me to baptize her daughter, Nicole, (Nickie) ... Linda, it's not goodbye.. Until we meet again, my friend, my comadre Linda... I love you more than words can say❤️❤️❤️
Sincerely, comadre Sylvia Trejo

“ My dear Sister, I can't express how blessed I, and the girls, are to have gotten to know you and be part of each other's lives. I love it that we got to share our testimonies with each other and with others. You are SO very special to me and I already miss you so much! I really hate it that we never got the chance to cook together, but when I get Home, I've asked God to allow us to share a kitchen so that we can cook together. I miss hearing you play Michael Jackson during lunch, I miss the little snide comments we made about stupid situations, laughing to ourselves, and just sharing stories and laughing!! Your laugh was infectious and I'll never forget it! I miss you, my sister, and I'll see you again! It makes me smile knowing that you're riding the streets of gold on all of your Harley's!!
Until I see you again! ❤️❤️

“ I worked with Linda at TownePlace Suites. All of our housekeepers were good, but if you wanted to make sure a guest had an impeccable room, you put them in a room Linda cleaned ! She was always ready with a smile and a good attitude. All during her battle with cancer, she was lifting up praise to God and asking for prayers and thankful for them all. May we emulate her attitude of gratefulness as we mourn her passing. I am thankful to have known her as my friend.

“ Miss Linda was a joy to work with and know. There aren't enough words to describe her positive attitude, work ethic, or faith. We loved her dearly and she has left a huge hole in our NPMC family. Sending so many prayers up for her family. We love you Miss Linda.

“ That woman was like a grandmother to me. I miss her so much, and my family and I loved her like she was family. She always knew the right thing to say when I had a rough day, and would lend an ear if you needed it. She was very funny, kind, and understanding. During her hard days, I made sure to give her the same love and caring words she needed, just like she gave me for the last two years. She always called me and her younger coworkers her 'kiddos', and I'm gonna miss hearing her say that... But I know she's not in pain anymore. One day, I know I'll see her again.

Until then, rest in peace and love, Mrs. Linda ❤️
