“ My heartfelt condolences go out to Linda’s Children, Grandchildren and Great Grandchildren. I love my Sister and I will miss her and the times we spent together talking and laughing until the wee hours of the morning. She loved life and her family. She was full of energy and fun to be around. I pray God sent those she loved, who passed on before her, to welcome her with open arms. I pray she is with them now. I know that she is no longer sick, no longer in pain and is no longer burdened by the stress and unhappiness that sometimes comes with the life we have here, on earth. I pray that she is with the Lord and that she is at peace. God love you, Linda. You will be missed by those of us who love you here.
