“ To the Family: My condolences to the family and please know that Mr. Hogaboom played a tremendous role while serving on the Hot Springs School Board. He approved my appointment as assistant principal in 1987 Hot Springs High School, which gave me the opportunity to be an administrator. With Much Sympathy, Joyce Craft

“ Although I hadn't seen Lin since we were in the Air National Guard together, I will miss him. Our family lived next door to his family on Sixth Street when their father was manager of Buckstaff Bathhouse and his brother Jan was still a baby. My brother Don and I often played with Lin and I have good memories of those times. Bless his family; I hope they will keep in mind that Lin was an inspiration to many of us and I am glad that he was a Christian. RIP, my friend; we'll meet again.

“ Jan, what can I say that I haven't already said to you. Girls and grandchildren you have lost a wonderful man in your father. Just know that he was loved and respected by many people. Everything he did wasn't all right but he cared more about folks than he would ever let on. One of my best friends for the past few years. I wish I had known him longer. Lin, I know you are watching us and I have just one thing to say. You silly _ _ _ t.
