“ Lisa was a very special patient and friend. Chris, took great care of her sister reminding her daily to take it easy. I will miss her smile and quick wit. Chis, call me anytime you need a friend as you also became family as well. Lisa did it her way staying at home and being as independent as possible. Hugs, Cecilia, RN with Dierksen Hospice.

“ I will forever remember and be thankful for the time that Lisa opened her home to me to rest when I was making a very long commute to work. No one loved Lays potato chips, butter, gadgets and their dogs more than her! Until we meet again!

“ I will always remember Lisa as a dear friend who loved the Lord. Sometimes she would bring me flowers after I had a big family dinner. I'd enjoy them for days and know that they were her part of the dinner. just to make me smile for days. She was very much a part of the McKay claim and will be missed. My favorite memories are of her eating. She truly loved a big family dinner and all the trimming! Good bye dear friend you can breath easy now.
