“ I knew Tom during his younger years. Hung out with him and his brothers. Has kids we rode our bikes all over. The last I saw Tom was here in California. We knew him and Dot and their three little children Tom , David and Robin. Tom was in the Airforce. Tom was actually why Dale and I moved to California Tom was at Vandenberg AFB. They eventually moved from our Valley but we stayed in contact through his brother Dale and wife Janet. I sure would have liked to have seen him again. We being in our younger years always had a good time. Hunting; meet up at Valley events. When you saw Tom you always saw his family that's the kind of guy he was. I will always remember him and like they say his smile.

“ *Uncle Tom will be missed by so many but I know I will miss him terribly. I think the thing I will miss most about uncle Tom other than his laugh will be the way that when I hugged him I could snuggle into his beard. I love you Uncle Tom.*
