ME

“*Lucie snider isyom and most of the time my best and only friend. She worked hard all her life but always was there for her family and friends. She loved hard and taught lessons harder. She had a warm smile, and a big heart. She taught me most of the good and bad about life in general to try and protect me. There was never a doubt you were loved by her. She loved to see, bake, cook, fish, boat, shoot pool, and camp among other things. I will always miss her and grieve my loss.*
