There are no words to express how we all feel without you. I will miss you every day. Today I wanted to hear a funny story from you just so I could hear you laugh, I will miss that the most. I will do all I can to help with the kids, you know that. There will never be anyone who can replace you in all our lives. The only thing that might make this easier is you will feel no pain and be able to rest. You were a wonderful Mother and a beautiful person. Today, Corina got up to comfort me when I should have been comforting her. You and Bill have done great teaching your children how to be good people. That is something to be proud of. I have been seeing a red bird fly across the road in front of me, then from the other side, a bluebird that would cross in front of me. I believe that is you. I will truly miss you Lucy Derossitt. You are one of a kind and no one could ever take your place in my heart. I Love You, My Beautiful Friend.

“ I will miss you dearly my sister. I enjoyed our heart felt talks during our Legion time and nightly on Messenger. We shared some deep secrets and cried a lil too. You made me feel special when invited to your daughters baby shower and I thank you for taking care of my Buick. I know you were looking forward to my shower but you will be remembered with a special prayer. You are now an angel of God above. You have joined family and some friends.....one of which is my Joel. Rest my sweet girl....super mom and grandma.wife and friend. I will miss you my angel and love you bunches!!
Love you my sista....💖 Wendy Hodges, Friends always
