“ I worked at St Joseph many years and knew Lynn as she worked for environment on the floor I worked on. We became fast friends. She retired before I left the hospital to go to the Cancer Center. We planned on staying in touch. She went to a Casino Isle of Capri and brought me back a coffee cup that played music. We lost touch with each other. That was a very sad time. I missed our talks. I'm so sad to learn of her passing. She was a great person and easy to love with the most friendly smile... she will be missed.. 😞😞😞
My heart is heavy 💔
