“ Lynn and I became friends long ago .We loved to talk about our children and grandchildren. She did not know I have a new great GRANDBABY BOY she would have loved him. Lynn was a very caring and talkative person. Never met a stranger. One of the times me and Amy visited her and she just loved that Talk about liking those ballgames . I'd go visit when she lived at the apartments and we'd have a big time. Anyway what I guess I'm saying is she was my friend but also my family. Lynn I miss you. Janie samons .God bless your family.
