“ I'm so sorry to hear about your mother Kirby. She was our neighbor for many years on Leonard St. We became very good friends thru out the years! She always looked forward getting a phone call from her Kirby! To be absent in the body is to be present with the Lord. Both her and my mom are looking down on us all right now. May the Lord be with you and your wife during this difficult time. God bless!
Sincerely,
Amber Poe Smith, Cordell, Darin, Brande and the whole bunch 🙏

“ Margaret was a dear friend. We met at Southwest Junior High. We didn't talk often, but she always called me on my birthday. I loved her mother. (Had a special name for me) Linda Murders Griffith.
