“ Momma Margaret was like a second mom to me growing up. I spent more time at her house than I did at my own!
My thoughts and prayers are with the entire family, especially my best friend forever Jennifer.
Momma Margaret will be greatly missed but her spirit and her memory will live on forever with and through each of us.
With love and heartfelt condolences,
Leann Johnson

“ Margaret was my elder sister. When we were left alone during the day when school was out and adults were at work, she would make instant coffee with cream and cheese on soda crackers for our lunch. She was a loving sister.

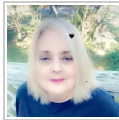

Until her computer went out on her, we emailed every day. She always started her email with her weather report. I will miss her very much. Wanda Bennett Toner Lake city Florida.
