“ *My Aunt Marge was a true lady! She was a trailblazer - she had an amazing career, raised a wonderful family, had interesting friends and hobbies, and was an independent thinker! She always welcomed visitors and some of my fondest memories are around the table in her kitchen. She was truly an inspiration to me in my life as a mom, in balancing my career, and in being true to myself. With love!*

“ Marge was my second mom, I loved her so much. She was such a wonderful person and will be missed by all that knew her. I always felt so at home in her house just like one of the family. She introduced me to alot of southern foods that I had never had before and I love them to this day. I will always have her in my heart and never forget my other mom. I'm so glad I came to see her last year and I will always treasure my memories with her.

“ My Aunt Margie was a intelligent , loving , powerful woman - long before being a powerful woman was a thing. Pity the person who tried to debate her on politics !!! The world is a little less bright without her wonderful light . I am sure she is resting in the arms of our father in heaven surrounded by all those who have gone before her ❤️

First met Marge at the Garland County Historical Society. Amazed by her knowledge of history. Later we volunteered at the Melting Pot Genealogical Society. Marge enjoyed others beginning their family history. Such patience, as she stepped others through the process. I am so happy to have known this wonderful lady. She leaves a great legacy to her family. Her research and contributions will be enjoyed by others for years to come. Rest in peace Marge until we meet again.
