“*Ms. Maggie was my therapist and she helped me in so many ways that I can't even explain. She had a huge heart and she was patient and understanding. She was honest and helped me see things for how they really were and not how I always perceived them. I was crushed when I found out she was sick and I just found out about her passing. Though she is no longer here she has made a change and a permanent mark in my life. I pray for her family and please know she was loved and is missed so very much. There is none that can replace her. My heart still cries but I know she is no longer suffering. To the family be blessed and her grandkids I pray you remember and learn all you can about her as you grow she loved you all so much her entire family. God bless the hearts that hurt and grant peace to all those who will miss her. I love you Ms Maggie*

“ My heart goes out to all of Maggie's family- I am so sorry for your loss. I worked with Maggie at Comp. Care and we shared many lunches together. She was such a gentle, kind, loving person and so absolutely devoted to her family. I always looked forward to talking with her and seeing the latest pictures of the family members she loved so dearly. Maggie was a shining light and a cherished coworker who will be missed by all who knew her. My thoughts and prayers are with you.

“ Margaret and I go back for many years as co workers and best friends. I can truly say from my heart that I dearly loved her as one of my sisters. We have shared so many good times, too many laughs to be able to estimate a number and almost all those laughs brought tears and stomach aches. I am so thankful for all our great memories, I will forever cherish them and hold them in my heart. My prayers are with her boys and their families, with Will and her extended family, her Dad, and with Kathy. You will never, ever be forgotten by this old Eastern Ky girl, Margaret, and I will see you again one day. RIP my dear friend.

Maggie was a wonderful person. Worked with her for awhile. But last year she became my Therapist. She helped me so much. I just wish I could have told her. This was a shock to me as I know it was for everybody. My thoughts are with her family at this time.

Margaret and I go back many years, not only as co workers but also as best friends. I can truly say from my heart that I dearly loved her as another sister. We shared so many good times, numerous laughs that brought tears and stomach aches. I am so thankful that God saw fit for us to be reunited and I had the opportunities to visit with her and of course to reminisce. My love and prayers are with her sons and their families, Wil, her extended family, her Dad and Kathy. Margaret, all our great memories will be cherished and held close to my heart forever. This is one old Eastern Ky gal that will never, ever forget you. May you RIP and I will see you again some day, my dear friend. 💔🌹🙏
