“ *You all were very blessed to have such a loving, beautiful mom. And she was very blessed to have you all as her children. Life is funny sometimes. I know that I had not seen your mom in many years and we all only get to see each other every now and then. But it still hurts to lose someone that was such a special part of your childhood. I love and miss all of you so very much..... Please know that my heart, my thoughts and my prayers are with all of your families during this difficult time.....*

“ My name is Peggy Hamilton. I worked with June for years at the Hot Springs Rehab Center and we have a lot of fun traveling many times and socializing. I have fond memories of June. She was a fun lady. I talked to my husband, Paul, several time the past few months about how she was doing. I knew of her illness. I am so sorry for your loss. Our prayers for with her family.
