“ Mike Isgrig- met Mark at Sylvan Hills High School- We were in a contest together for the longest hair on a guy at school (it was the 70's after all) He was first and I was second. I think Mark Wilks came in 3rd. Mark and I were honored to be ushers for our friend Jeff Besancon's wedding to ' Toots' in Tucson Arizona. We all sat around the hot tub at the Airport Holiday Inn drinking champagne, listening to Santana and smoking fine Cuban cigars under the beautiful night sky. Remember his beautiful sister Kathy and his wonderful brother Larry. We lost touch when he left for school (I think Camden) but was told he was working for Klipsch by our friend Mark Babbit. Propriety limits me from sharing some of our more zany antics but the memories will always make smiles. A toast to your life Mark and a nod to your death. Of those two we are all as one. RIP buddy

“ I remember a few years ago Mark told me about his crazy trip to Alaska in that old Honda. He didn't even know how far he'd get but he took off anyway with all his tents, blankets, food, etc...He would go somewhere and then throw up the tent and spend the night and so on and so on....He went on for I don't remember how long and ended up going on down to Denver to visit his other cousins and they were blown away to see him. He was so adventurous and I loved that about him....Did it HIS way. RIP Mark...I love you

“ I remember Mark when he was a little kid. We visited the family when they lived at Kelly Air force Base. We also, met with them in Beebe, Arkansas. Mark visited our family here in the Denver area several years ago. I remember when got out of the car and said "Hi aunt Betty." I used to communicate with him when he was on facebook. Then he dropped off and I did not hear from him again. I am so sorry for his family. May he rest in the peace of our good Lord.
