“ Mark was my favorite uncle as a child; I still remember all the good times I had at his house. He was delighted to have us as his guests. Although he had many struggles in life, Mark was full of love. He was very dear to my mother as well. All of the Sligers and Brocks will miss Mark. You live on in our memories and you will not be forgotten.

“ My Sweet sweet Mark. You were loved by many. Anyone that was blessed to know you loved you. When I lost Sam you came to my home and helped me plant that Dogwood tree from Sam's celebration of life. In return I will now plant your Dogwood tree. You will be missed by many and loved always. No more pain as our Heavenly Father awarded you with your Angel Wings. Fly high my friend and remember someday we will all reunite!! RIP

You will always be loved and missed by all who ever knew you!
We are here today and gone tomorrow! But we know you will be smiling down on us all and waiting on us to join you in heaven! Only God knows our time .. and yours was to soon but he's got a purpose for you!

*Ron and Ruth,
My heart is so heavy for you and your family. I feel like we lost a good one and Heaven gained another beautiful citizen. Growing up, "We are going to the Sliger's House" was one of my favorite things to hear my parents say. Remembering that big Ole house on Prospect Drive takes me back to when Margie and Mark taught me and Teresa "the freak" dance...We felt so cool that night learning the newest dance from highschoolers. Watching Dukes of Hazzard and playing upstairs while yall were having prayer group downstairs was the best.
Then the great memories at the Lakehouse... Swimming and catching fireflies were my favorite memories. Not to mention the great meals we shared in our laps because between the two families we had 12 kids at the time and not enough chairs! You always felt loved and the Sliger house. I always thought of Mark as the quiet gentle one of the clan, when he smiled his whole face lit up. A common trait of all the Sligers. The memories with yall are too many to count. Im sure Mark and my Dad are in Heaven fishing or just shooting the breeze right now. What a blessing it was to have you and your family in my childhood. I pray you feel Gods arms wrapped around you right now. Sending you love and Prayers from Prosper, TX.
I love you guys so much.
