“ I remember meeting Marsha many many years ago when she came to visit her Aunt Jeanette, and her grandparents Mima and Poppie. The rest of us were just lil girls but she seemed so sophisticated and grown up! I am happy to see she had a wonderful life and a great family. You were kind to me as a wide eyed little girl. You and your Aunt Jeanette left quite and impression on me. I hope you have a wonderful mansion up in heaven. Say hi to Jeanette. Your family will miss you no doubt, but heaven is your ultimate prize. May God comfort your family as they grieve. It is hard to be without someone so loved.

“ I remember when I was little, watching her do her hair while listening to Elvis, smoking a cigarette. She was the most beautiful girl I'd ever seen and I was fascinated by her. My big sis...

“ Behind every successful man is a strong and loving Woman. Marsha certainly was that woman in the Sampson family. Words can not adequately express my feelings but I know that God had a plan for Marsha and Dan and family and friends will meet her spirit again when our day comes. Jim and Dot Brumley

“ Marsha and I had FaceTime week before she passed away. Marsha asked how I am doing. Checking on me. Also Marsha send a card to me. I have the card in my kitchen. Marsha would send cards to me on my birthday and Christmas. Marsha and I were always checking on each other. Marsha decorated my house with photos. She enjoyed helping me. Marsha was a big part of my life. I'll miss her. Love you Marsha. You are in heaven with mom, dad and Terry.

“ I have too many memories of my dear friend/sister. I will miss here so very much.

Marsha was a very CLASSY LADY. She never made enemies just friends. Everyone that knew he loved her and has nothing but good things to say about her.

Enjoy your heavenly body my friend. No more pain.

I will miss her more than anyone will ever know.

R.I.P. MARSHA UNTIL WE MEET AGIAIN.

Dan and family I am here and just because we no longer have Marsha does not mean that we can not keep in touch. I LOVE YOU ALL VERY MUCH.

I have many great memories of time spent with Marsha. She is a jewel ! To know her was to love her ! She always brought a smile with her, what ever she happened to be doing. We will all miss her greatly. Her family was blessed to have her as their Ms Potato Head mom, as she called herself. She tried to take care of everybody, including me ! The love she gave her family shows brightly in the sweet family she left behind as her legacy. I will smile with each memory of her, and look forward to the day when we meet again . I love you all very much !
