“ *Martha was my cousin. She was a little older than me but we payed together as kids. I have fond memories of her. I lost touch years ago and have wondered about her and how she was doing. Didn't know where she was until I found this obituary. I'm so sad that I didn't have a chance to reconnect.* ”

“ Martha was my unbiological sister. A true friend. I will miss her very much as we talked almost everyday for the past fifty years. She loved the outdoors, fishing, landscaping, painting, digging for crystals and gemstones and camping at the area lakes. Martha enjoyed getting together with her fiends but COVID put a stop to many of these outtings. She truly enjoyed life and gave all she had to beat the cancer. Unfortunately she lost the battle but she will be remembered as a fun loving true friend.
