“ I just recently was told about the passing of my dear friend Marty Constant, my heart is so saddened by this. I have known Marty and his entire family since we were very young , we grew up together, the Constant family and the Orrell family was honestly more like one big family for so many years, our families sure made lots of good memories, RIL Marty you will be very much missed by so many, but you will never be forgotten.

You are so welcome, I was in shock when I heard, I didn't know he was sick, the last time I seen your dad was at Oaklawn and shortly before I heard he had passed, our families made lots of great memories together that I will forever cherish
