“ I have so many wonderful memories of Brother Ross...of course, I can never forget our "famous" Royal Rangers camping trip, (John) where we all got lost on a hike, and finally found by the police! But the greatest memories I have are , of course his spirit of worship. I have never seen anyone else so sensitve to the direction and the moving of the Holy Spirit than Brother Marvin! Second, I remember years ago, when our Pastor, Brother "T" passed away. After his funeral, I asked Brother Mavin "What are we going to do now?" He immediately answered, " We're going to mourn a little, but with the Lord's help, we're going to pick up the pieces and keep moving forward for God." I have never forgotten these words , and now, John and Tawana, I share those words of wisdom from your father with you. May you find strength and comfort in them, because I believe he would tell us the same thing today. You are all in my thoughts and prayers...1 Thessalonians 4:13-18.
