I just heard the news today, My prayers to the loved ones you have left behind to cherish your memory. I have so many memories I will carry with me. You are a part of my family and and took such great care of my Great Grandmother Nancy Anderson. You will be deeply missed by many. I will always remember when I was at my Great Grandmothers how you took care of me as if I were one of your own.

“ *Mary was a great friend. I will miss coming to see her when I am in Hot Springs. I will remember her Apricot Fried Pies that she made at the Anderson's and her fried chicken. She was a great cook and a great gardener. She loved to grow vegetables. May her Soul Rest in Pease.*

“ I will miss my Aunt, but will remember the times spent in Hot Springs between her house and Aunt Charlene's as a child growing up in Arkansas. I will always remember her making her Peach Cobbler (from scratch) at the reunions - sending prayers of comfort to my family in Arkansas during this time, and wishing I could be there with ya'll.
