Tribute Wall

“ *Durl and lola were our neighbors in Lombard, friends of my parents and godparents to my sister, Michele. I remember Bruce and Jeff, although they were a little older than me. If memory serves, their grandmother used to make popcorn balls and give them away for Halloween. We would go there twice, very kind people, very kind family. My mom, Annette Fournier, and lola were friends and she also donated her remains to science when she passed in 2004. My condolences on your loss.*
