“ *My thoughts and prayers go up for the family of Mary. We were coworkers many years at Weyerhaeuser and had lots of great memories. As Deanne said if you asked Mary she always told it like it was. May she rest in peace.*

“ *Mary was a wonderful person. She always told things like they were. I worked with her at Weyerhaeuser for several years and we rode together for some of that time. She talked about her boys a lot. Praying for the family.*
