“ I met Mary at Trinity Church when we lived in Hot Springs in the 90s. Always smiles and full of Holy Spirit. We were Facebook friends and enjoyed sharing things of the Lord. I will miss seeing her on social media but will see her again in our new and better life in heaven. My prayer for Mike is what Mary would say, "Be strong in the Lord and the power of His might in Jesus name." God bless you Mike. Barney and Ann Simmons

“ The last time I saw Mary was in October 2016 at Hettie Lue Brook's Fall Women's Seminar. The theme was "Unveiling". I knew Mary had health challenges so I was surprised to see her. But she was passionately worshipping and cheering on all in their callings. She was so unselfish and so infectious.... great is her reward.

“ Mary and I enjoyed lots of lunches and dinners at Salsas in Hot Springs and many car rides discussing our Lord and praising Jesus and just having a great time laughing and talking... such a prayer warrior.

“ I met Mary when I was 18 and attended church at Christian Ministries. Always loving and giving. Positive and happy. Ready to pray and always encouraging others. I can't believe she's gone home so soon. I'll never understand why but I know she's praising the Lord right now and enjoying his presence. I hope that I can be half the prayer warrior she was and honor her by being a giver and helping others. She was such a giver and blessed so many lives. You will be missed Mary. God bless you Mike and your family.

“ I haven't known Mary but for a few short years but as I asked God for words all that would come is that Mary picked up her cross and followed Jesus as a loving compassionate disciple! Remember the separation is temporary and this is an intermission... Thank You Lord for blessing us with Your child and her witness on earth. In Jesus name Amen

“ I have been Mary's friend all the way back to the Jones school days. She was one of my few friends in those days and when I became a Christian at 16 she became my sister in Christ. We were in each others weddings, We went to church together for many years. We were in the Witness together (what a beautiful voice by the way). although we didn't get to see each other as much as we would have liked she always made time for her friends. She was one of the busiest person I knew and all of it was doing the Lords work. I got to eat dinner with her and Mike and some friends a few month ago and as always she had a lot of pictures to show me. All of her pictures were of people she loved and who she had been spending time with. Mary and Mike as far as I knew never owned a house, went on expensive vacations or got new cars. they invested their lives and resources into the Fathers work. I cry as I write this. I am humbled to have know such as great woman. I am heartbroken for Mike and heartbroken for all of us who will not have her in our lives anymore. The world will be a little less quieter without Mary and heaven a little brighter now that she is there.

I only got to know Mary for around 5 or 6 years, but she has left me with memories for a lifetime, what a blessing she was, such a bubbly spirit, and so generous with herself, she was hands down the best Christian I have ever met, I consider myself lucky to have been one of her friends, I am truly going to miss her, I thank her from the bottom of my heart for being there for me and I know there is an angel up above watching over all of her friends .

“ *When I met Mary, I had no intentions of making close friends. I made the mistake of telling her this and she made it her number one goal, to be my closest friend. That was 30 years ago. She's been with me through good times and bad times. We've sang worked, laughed and cried together and had some grand adventures. She drug me kicking and screaming, on many shopping sprees because she knew how bad I hated shopping and would never go alone. Mike and Mary were childhood sweethearts and married right after his graduation from high school; (yes, she robbed the cradle). You would have thought they were newly weds because they worked to keep their love fresh and new; each of them putting the other's needs before their own. Mary lived and breathed for God and people. She would have given her last dime to someone if God told her to because she held her money with an open hand and trusted that God, who had provided that, would provide again, and He never failed to do so. I've seen her give her life for God's people and in doing so, she made a tremendous impact on many lives. Mary loved the way Jesus loved and I believe, if she had to, she would have gladly given her own life to save a friend. Mary had a beautiful voice and in her last few years, she gained the confidence to lead praise and worship with her beautiful sweet voice. My life and the lives of my family, were forever touched by Mary. We have this blessed hope, that we will see her again. Mary was my best friend and the closest to a sister that I've ever had. I love you Mary Thomas; until we meet again.*

“ I sang with Mary in the "Witness" Musical Passion Play in Hot Springs years ago and she was so kind and sweet. She spoke her mind but in a gentle way and had a beautiful singing voice. She encouraged me by sending me this scripture after I went through my divorce. I will miss your smile and your laugh. Tell Jesus I said hello!

Psalm 20:

*1 MAY THE LORD answer you when you are in distress;
may the name of the God of Jacob protect you.*

*2 MAY HE send you help from the sanctuary
and grant you support from Zion.*

*3 MAY HE remember all your sacrifices
and accept your burnt offerings.[b]*

*4 MAY HE give you the desire of your heart
and make all your plans succeed.*

*5 May we shout for joy over your victory
and lift up our banners in the name of our God.*

MAY THE LORD grant all your requests.

6 Now this I know:

The Lord gives victory to his anointed.

*He answers him from his heavenly sanctuary
with the victorious power of his right hand.*

*7 Some trust in chariots and some in horses,
but we trust in the name of the Lord our God.*

*8 They are brought to their knees and fall,
but we rise up and stand firm.*

9 Lord, give victory to the king!

Answer us when we call! == prayed over your mom and you too ❤️

What a special Lady! You blew into Huntsville like a Hurricane! I thought "who is this woman"? Well, let me tell you who this beautiful, kind, loving, giving woman was. She was the face of God manifested in all she did. She was a wonderful, trusting friend to me. Mary's mission was to serve others. She fulfilled that mission and so much more. I love you, Mary. No one can ever fill your pretty little shoes. You took enormous steps and kicked satan's butt with those little feet. And, as fast as you blew into our world, you vanished. I'm so sad for those of us who lost our dear Mary. But I am so happy for you. I know that you rest in the arms of Jesus. I'll see you soon, my friend! Terra Hood

“I have so many memories of Oak Street and growing up with Mary. She was the first friend I guess I made--at the age of 3 or 4. She grew to be such a strong, loving Christian woman, and I have no doubt she touched more peoples lives than she ever realized. Mike, you were definitely blessed with a wonderful wife, soulmate and friend. May God guide you through this difficult time.
