“ I remember Mary Jo from the days at St John's through high school. Always friendly and a ready smile. I am saddened by her passing. My condolences to her family.

“ Any time I would go to the office at Oaklawn, I would stop in and chat with Mary Jo. She was a very pleasant person and I am sorry to hear of her passing. My best to her family.

“ Mary Jo was always so much fun to be around. My first memory is going to Mrs. Zullo's house with Janie for spaghetti dinner. Mary Jo made the salad & it was delicious! This was before the wedding bells. After Janie & Joel married & were living in Huntsville, AL, I remember giggling at Mary Jo & her funny sense of humor & she joined me in bugging my big brother! I finally had help😭 Down at our family farm near Hope, AR, Mary Jo would often join us for Thanksgiving or a visit on a weekend when we gathered. My kids loved her Donald Duck imitation—so did I! I loved her so, because she was my sister's sister... so I guess she & I were too, kind of. Such a jolly laugh, big smile, great storyteller—Mary Jo was really special. We will miss you here, but the Zullos & Joneses in Heaven are happy to see you! We'll see you later too❤️🙏
