“ *Melody was a beautiful young woman, inside and out with a golden heart...She was a lady in the truest sense of the word! My son Drew was blessed to have her as a part of his life for 11 months, they shared their first and last kiss on Monday, April 24th, and he told her he loved her. My heart aches for Drew, and Melody's family. I'm going to say, I'm so sorry for your loss, but I know those words don't even come close to easing the pain that this astronomical loss has put in your hearts! Melody made the world a better place and she will be missed by so many! I will continue to ask God to bathe all who have been so profoundly affected by this untimely death in His peace and love, to undergird us all with His strength to get through this heartbreaking time.*
