“ One of the memories that sticks with is... Was being 8 months pregnant riding in the Honda Del Sol a 2 seater with you & Aaron can't remember where we were going but I remember laughing so hard which we always did!!! And I'm so glad that you were in our lives & that when Serena needed a place to be that you & Rhonda took her while I got my life figured out!! I love you Dusty & you will forever be in our hearts!!

“ *Yankee was bull headed a lot like me. Ronda said, we were like two bulls in the same pasture, yet we co-existed in that field, and never locked horns. He always had my back when it came down to it, and I his. I will sorely miss you Yankee. Be at peace now,Godspeed.*
