*“ I grew up down the street from him and his sister in Spring Hill. We have so many memories from elementary school, he was my childhood best friend. I'm so sorry to hear of his passing, and whom he left behind. My heart goes out to you all.*

“ I always remembered him laughing and joking around with all the my girls and his sister when we all lived out at Grand point bay apartments. That’s when I first meet him and Olivia. From then on they became family.

They would all get off the school bus and I remember pulling up on Fridays with car loaded with groceries and snacks. All the kids helped carry them up stairs as we always ate half of them before we ever put them away. Good times . I love you Michael Schoggin , RIP. Watch over us all til we meet again with our Heavenly Father. Love Always , Marci Lawson
