“ It is with a very heavy heart I offer my deepest condolences to Robby, Ricky, and Ashley (and all the other members of the Taylor family)

I met "Taylor" when I was around 13 years old (I'm now 58) I am a proud extended member of the Bass family and recall vividly welcoming Robby, Ricky, and Ashley into the world and being around to share lots of family memories over the many years. As I grew up and got older, I shared many a poker night, cold beer, and a thousand laughs with Mike. From him installing an "under the dash" cassette tape player in my first car to working WITH Mike in the insurance sales business to working FOR Mike at the nursery, he left an indelible mark on my heart and soul - I will always be grateful for his friendship and love.

Rest Is Peace Taylor - clearly God needed a new poker partner and someone to laugh with in heaven
