“ I can remember when my cousin missy was always around us as kids we always would laugh or smile.when she would come over we would play kiddie games like chase and those kinds of kid games but there always made everyone laugh.
And my next and last memory I can recall was when I saw her last year sometime missy still had that smile on her face and we laughed.

R..I.P MISSY ANN

YOU WILL BE MISSED AND YOU ARE LOVED ALWAYS.
