“ I worked with Myra when we both were sales representatives with Kellogg’s. We had a great time driving to New York just to go to an auction at Sotheby’s. I lost contact with Myra after she drove to Indiana to attend my wedding. I had been looking for her only to now see that she passed away in 2018. She was such a beautiful person with a smile that warmed your heart. So sorry but happy to have found her sleeping in the arms of Jesus. I will see her again when this life is over. Save a seat for me Myra your friend,

“ Such a sweet girl. I never knew her well in high school but she was always so sweet and friendly. I would run into her at WMU when we were students. I probably talked to her more in college than I did in high school. So sorry to hear of her passing. RIP

“ Who can forget Myra, she was a bright sunshine with her beautiful smile and her easy going personality walking the halls of LHS. I don't think anyone would not remember her. Myra will always be a wonderful memory for me and so many others. Sorry to see you go so soon Myra but heaven needed another angel :)

“ *What can I say I am just now finding out. I have been trying to reach her by phone. Now I know why they weren't returned. I love this woman. She was truly a great friend. She is the godmother to my son Ryan. I will miss her phone calls, which were many, even in recent years.*

“ To the Norman Family: I graduated from Lakeview High School in 1973 and was friends with Myra. Last night I was looking for an obituary of a cousin and found Myra's quite by accident. I was stunned because we lost contact with each other after graduation. I have always wondered what happened to her and sadly, I have found her. Please accept my heartfelt condolences on your loss. Myra was very brave. She had a great sense of humor, lovely manners and made friends so easily. I shared her obituary on a website called BC Lakeview Spartans... What Ever Happened To... and the response from our class has been very heartwarming. Not only do they remember Myra but your entire family. If you would like to reach out that is the name of the website above. God bless you! Myra was a lovely person. I am so happy she came into my life.
