Tribute Wall

“ I worked with Nancy at the Arlington from 1989 until she retired. In 2001, my 2 yr old granddaughter passed away and Nancy and Bill were there for our family through everything. It was a very traumatic time for my family and she was a steadfast rock in my life. I will always keep her memories in my heart. My husband and I send our condolences to your families on your loss of a mother and grandmother. She was a wonderful lady and I know she will be missed.
