

Natalie Ann McConnell

January 9, 1987 - August 1, 2020

Natalie Ann McConnell “Nat Nat”, 33, of Hot Springs passed away, Saturday, August 1, 2020. She was born January 9, 1987 in Hot Springs.

Natalie was a faithful friend, forgiving and showed great compassion; she had a unique ability to listen and understand. Natalie was a hard worker and she loved animals. Fishing and the outdoors were her favorite activities. Natalie was genuine, and truly cared for others; she had the sweetest soul. Nat Nat was smart—smarter than she ever gave herself credit. Natalie had a way with words and loved to write. Natalie loved to be there for others; so many people have referred to her as their best friend. I think that’s because she was always there for everyone no questions asked. Nat Nat never judged anyone; she just listened and loved people for who they were. Life had a way of knocking her down but she was always positive and never let the hard times take her kindness. Natalie always smiled and gave the best hugs (despite being so skinny lol) she loved with her whole heart. Natalie was predeceased by her step-mother, Teresa McConnell.

Survivors include her father; Stuart McConnell; mother, Sarita Casement (Mark Hollingshead) McConnell; brother, Nathan (Erin) McConnell; grandmother, Judy Casement; stepsister, Tonja Hogue; stepbrother, Joseph Hogue; many aunt, uncles, cousins, nieces and nephews.

“ (Nat)Alie is a beautiful person inside and out. The bad never could outweigh the good she had in life. She wasn't ready to go just yet but curious to know wat was awaiting on the other side. She believed in God and believed he had been there for her all her life. Her anxiety got the best of her but she would just shake it off and keep pushin! Her friendship was unlike any other it was understanding, hectic, full or care and hope, and unique. I am glad I got to know her soul and got to hear her intellectual side. Her wisdom was beyond her yrs and she loved a deep intellectual conversation with anyone. U r missed Natalie Ann and I'm so happy that I got to "pick ur brain" for the last 10 years.
