“ *I remember when we first met, last year. I cooked dinner and she and her friend came over to Rex's house to eat. It was like we were not strangers, we talked, laughed told stories.. Her smile.. that smile lit up the room. The last time I saw her was in the field three weeks ago, she waved so big, she made me feel like family. We talked off and on. The things I know for sure about Natasha, she loved her kids, friends, and her Uncle Rex as if he hung the moon. He was her go to.. She was taken way too soon and will be missed by so many.. Sending much Love and Prayers to her family.. Natasha fly high sweet girl ☐*
