“ Our friend Nate had a big heart, great smile and wonderful laugh every time we were around him, he brought joy to all situations. We enjoyed working with him through non-profits in Hot Springs and wonderful events at the Malco. You always knew when Nate was in the room and we will all miss his positive attitude. The world was better for him being here. God bring peace and strength to his family in the days ahead.

“ Nate was the best sort of man--honest, kind, hard-working, and an advocate for doing the right thing at the right time. It was an honor to work with him at City Hall while I was Mayor. He fought the good fight his entire life. I wish him peace, love, and the knowledge that he left this world a better place than he found it. His family has my deepest sympathies.

I too, worked with Nate, (as a Poll Watcher, at the Election Commission). What a kind, gentle soul, he was. He was always so friendly, helpful, and Very Knowledgeable on ALL there was to Know, with the Election Commission, the building maintenance, and delivering the VOTE Machines to the Polling places. May God Bless Nate, and his family. He was a truly good man.
