“ *My beloved grandmother who was like a second mother. Always there. No matter what. Just like any loved one would be, but it was always a little more special. Knowing that my mamaw would do anything. Just to hear our voice. Laughter. Love. Anything but smiles. I miss you so much but i know we will see one another again. Until then. Please watch over and guide us. We all need a little bit of mamaw watching our backs. 天Heaven*

“ *We love and miss you Momma!! You were the best mom anyone could ask for! You were always there to lend an ear with the best advice. With a smile on your face or whatever we needed. Your Christian guidance was the best we could ever ask for. Thank you momma for teaching us there is a God. Sing with the Angels in the choir until we meet again.*
