“ Ms Norma was a wonderful lady. She was good natured and had a great smile. When Central Baptist Church had a softball team, back in the day, she was one of the best players and always got on base. My memory of Norma is that of a cheerleader and as a person who met any challenge & got the job done. She loved life and left her mark through her loving daughters.

“ Norma Lee was like a second Mom while I was growing up. She and Jimmy were my parent's best friends. I loved going to visit them while I was in college and would always get some of Jimmy's Home Made Wine and tomatoes...Norma Lee would just shake her head and laugh...I will miss hearing her say "Hi Love" as I walk in the door...But I will hear it again one day soon! Mel and terri, My thoughts are with you! God Bless!

“ Norma was a person who was easy to talk to. If you were wrong she would let you know in a kind maner. If she seen injustice she would try to help. Loyal and loving to all those around her. God has called one of his best angles home, we will see you soon in the heavens.

“ I worked with Norma during her time at the Sheriff's Office. We had many conversations before our work day started. Something I always looked forward to. My daddy would always tease her about going to lunch at McClard's on Monday. I think she fell for it every time. But we would always go another day. Norma was a special friend.
