“ We ran into Pam and Don while dining not too long ago. She was, as usual, sweet and determined despite the physical challenges. She was a dear friend. We didn't see each other much over the past few years, but each time we did run into each other, we had such good visits. Our condolences to you in this loss. I know she will be missed. We will miss her, too. All of us were fortunate to have known her. May God wrap His arms around you and give you peace. Kay
